C PASSIVE COOLING SERIES

Enjoy going about your daily tasks in peace with the palm-sized form factor ZOTAC ZBOX CI319 nano series mini-PC. The ZOTAC ZBOX CI319 nano plus series mini-PC features a special passive-cooled chassis that eliminates cooling fans to create zero noise for a peaceful silent computing experience while keeping the surface cool to touch.

A powerful Intel dual-core processor provides the ZOTAC ZBOX CI319 nano plus series with speed for web browsing, e-mails, productivity, and smooth HD entertainment. This unit comes complete with 4GB memory and 64GB SSD storage so you can get started without hardware hassle. Integrated 802.11ac and Gigabit Ethernet ensures the ZBOX CI319 nano series has lightning-fast wired and wireless network connectivity.
