

ZBOX

→ SKU: ZBOX-EI751-P-BE/U/J

EI751 PLUS

Enjoy high-performance computing in a toaster-sized ZBOX EI751 Mini PC. Pumping more CPU power and saving more energy than its predecessor, the EI751 is designed to perform any computing tasks effortlessly while having performance left over for entertainment. The good doesn't end there because the EI751 natively supports 4K and three displays to deliver both breadth and depth.

The EI751 powers your productivity and entertainment with a 5th Generation Intel Core i7-5775R, integrated with an Intel Iris Pro 6200. The speed keeps going with Dual Gigabit Ethernet and 802.11ac Wi-Fi so you can cruise both online and offline.

technical specifications
