MAGNUS EN979

E
SERIES

MAGNUS EN979 transforms the entertainment experience with hardware that captures the essence of gaming. Designed to push the limit of your gaming experience and to strike the perfect balance between power and thermal for whisper quiet performance.

The power of Intel Skylake Core i5-6400T processor and graphical prowess of NVIDIA GeForce® GTX 960 come together to create superior gaming performance, enabling native 4K display output and supporting up to 4 displays. MAGNUS EN979 supports dual storage solutions to provide flexibility, and connects with 802.11ac WiFi and dual gigabit LAN for high speed experience.

technical specifications
