MI525 PLUS

M MULTIFUNCTIONAL SERIES
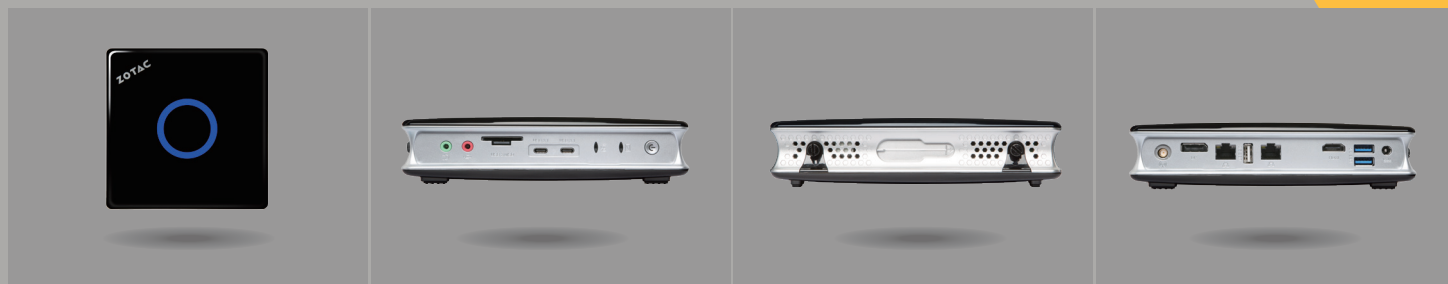

The future of desktop computing has arrived in ZBOX MI525. Packing a dimension of new technologies into the same compact-sized housing, the MI525 is designed to perform any computing tasks effortlessly while keeping power consumption to a bare minimum.

The MI525 powers your productivity and entertainment with a 6th Generation Intel Core i3-6100U, integrated with Intel HD Graphics 520. Designed for Windows 10, you will be able to experience a plethora of new features and fully unleash the power of both CPU and graphics with DirectX 12. The MI525 brings data transfer speed up a few notches with the revolutionary USB 3.1 protocol, giving you up to 10 Gbps of data transfer rate, giving a new meaning to speed.
