MI542 NANO

M MULTIFUNCTIONAL SERIES

Faster and more power efficient than ever, the ZOTAC ZBOX MI542 nano series is the perfect versatile mini-PC for home and office. By introducing the latest Intel Broadwell CPU into the heart of the series, the mini-PC now achieves better performance while conserving energy. Enjoy doing more with less as the ZOTAC ZBOX MI542 nano series is power packed.

Powered by Intel's 5th generation Core i5-5200U processor that integrates the latest Intel HD Graphics 5500, the MI542 nano series is able to leverage its powerful CPU to produce native 4K output. All these features plus dual gigabit LAN and dual-band 802.11ac Wi-Fi connectivity with dual-channel ready memory slots, are encased in a frame no larger than a desk calculator that can be VESA mounted almost anywhere you like, blending easily into any environment.
